

Dual-Sport Athlete Contract

I, _____, as a dual-sport student-athlete, understand that I am signing up for more than one sport during the same season. I accept that the following stipulations need to be met in order for me to participate in both sports concurrently.

1. I must declare a Primary Sport and a Secondary Sport:

PRIMARY: _____

SECONDARY: _____

2. I must meet the 3.5 minimum GPA requirement, both during the semester before the season begins AND during the semester I actually practice and compete in-season. I will carry a 3.5 minimum GPA throughout the entirety of the season of competition. If I should fall below the 3.5 minimum GPA requirement, I will discontinue participation in my Secondary Sport.
3. If there is a scheduled conflict during the regular season and/or the playoffs, my Primary Sport will take priority.
4. I will personally notify both coaches when I will not be at any scheduled practice.
5. If I have not attended the weeks' worth of practices (5 consecutive) previous to the Secondary Sport's contest, I will not start in that contest.
6. I understand that I will be billed the full athletic participation fee for each sport, regardless of which sport is my Primary Sport and my Secondary Sport.
